to expert

Together with experienced  
instructors who are also active  
programming experts

## \$600/MONTH

-  Co-living
-  Co-working
-  6-month visa
-  Group of 25 students

+ English lessons

 Duration: 6 months

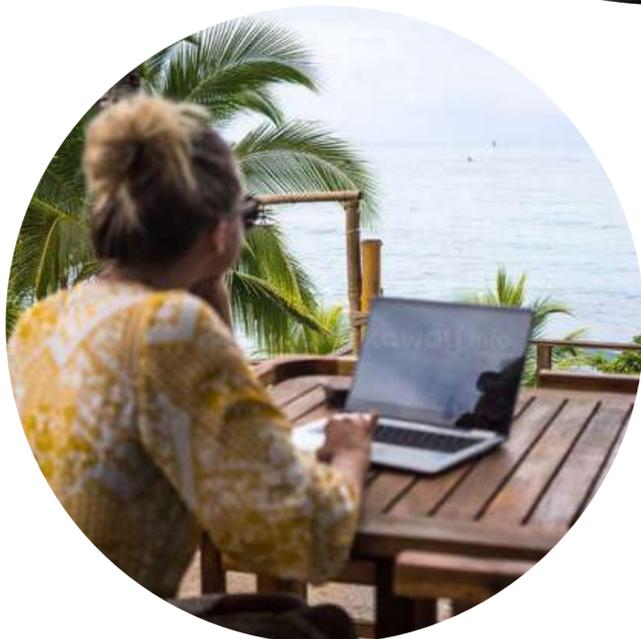

# CO-LIVING

Students will enjoy learning on the beautiful island of **Bali, right by the ocean.**

There will be unique opportunities **for surfing, hiking and exciting excursions.**

A comfortable and positive learning environment will ensure **effective mastery of programming,** making learning an unforgettable adventure!

# CO-WORKING

Learning and working on assignments will take place in a co-working space - **an ideal environment for learning programming.**

Here students will be able to discuss issues with teachers and colleagues, **feeling themselves part of a big team.**

This atmosphere is not only inspiring, but also develops teamwork skills, which **is extremely important in today's realities.**

# 6-MONTH VISA

Assistance with visa and other documents  
for a **safe stay in Bali.**
